

## **Jennings County Assessor**

**Vernon, IN 47282-0383 Phone (812)346-3011**

**The Jennings County GIS Information is a new addition to our site and we are all learning as we go along. I hope this helps you to navigate around the site until you get more familiar with it.**

**\*You will have to set your computer to allow pop-ups while on this site.**

**In the “Search for” box, you can choose parcel or address.**

**When choosing parcel, your search will be by name. For a better search, type in the last name only and search. (Or type in last name and first initial)**

**A list will come up. Scroll down to the parcel you are looking for.**

**On the far left of the screen, click on the Proval number to print the property card.**

**If you are searching by address, only enter the house number**

**or the first number of the county road address in the first box, (no direction such as N, S, E, W) and the street name only or the road number in the second box.(no direction such as N,S,E,W)**

**A box will pop up with a list of parcels, scroll down to choose the address you are looking for. Click on the + on the far left of the screen. A map of the area will appear. A blue dot will mark all addresses found in the initial search.**

**Click on the map. Each click on the map will zoom in. Continue until you see the address you are searching for.**

**Go to the right of the map area, where there are several icons, and click on the icon with the “up arrow” and the i (identify). Then move the mouse and click directly on the address you are searching for on the map. A box will pop up with information about that address. Click on Proval number on the far left of the box. This should open the property record card.**

**If you have further questions, you may call the assessor’s office.**

**Thank You,  
Linda Kovacich**
